

Pergolas

The Art of Handcrafted

HANDCRAFTED *Pergolas*

ADD STYLE TO YOUR OUTDOOR LIVING SPACE

Welcome to Outdoor Living

Pergolas aren't just for those seeking shade; they are also for those desiring character and style. Whether your patio demands the elegance of a bold stately structure, your garden needs a charming centerpiece, or you're simply looking to define a space to enjoy the ambiance of a cool evening, a pergola is the answer you have been searching for. With its many styles, the pergola offers a solution for any space.

12'X16' KINGSTON PERGOLA
Underside of Roof Detail
with EZShade Canopy

We appreciate each customer we serve. Thank you to everyone who has taken the time to write and tell us how much joy and relaxation you have gotten from our structures. We have included many photos and testimonials from our customers in this brochure for everyone to read and enjoy. So from all of us.....

Thank You!

STANDARD FEATURES

Our Artisan Pergola comes standard with a Rough Sawn Western Red Cedar top and is pre-stained to your choice of one of our available standard stain colors. Pressure-treated wood 6x6 posts sleeved in white vinyl with decorative base and capital. Double ply 2x8 (rough cut) headers on all four sides create a completely finished look. 2x6 joists (rough cut) span the shorter side and 2x4 purlins (rough cut) span the longer side, notched together for strength and to resist warping. We include anchor brackets for anchoring to concrete pads and wood decks.

Triple-Ply Headers

These heavy-duty headers carry the load of the large arched rafters.

Joist Brackets

These powder-coated brackets connect the two-part arched joists together for a strong connection.

Notched Intersections

The joists and purlins of your pergola are notched together for strength and to resist warping.

The Hearthside's warm and sophisticated look adds charm to any backyard. Perfect for entertaining or romantic dining.

STANDARD FEATURES

This structure is completely made of a Rough Sawn Western Red Cedar lumber. It stands on solid 8x8 cedar posts and includes large 4x10 braces for stability. The heavy-duty headers are built with 6x12 beams and carry the 4x8 joists spaced 24" on center. Blocking out an abundant amount of sun, the 2x3 purlins are spaced approximately 6" on center providing the perfect amount of shade to sit and enjoy a mid-summer day. Available sizes range from 10'x10' up to 18'x40'. This pergola is available up to a massive 18'x22' with only four posts.

Braces

The braces make this pergola a strong and sturdy structure.

Anchor Brackets

These powder-coated anchor brackets attach the pergola to your footers.

Decorative Scallops

The joists and purlins are cut with these decorative ends for a finished and refined appearance.

Whether you are hosting a dinner party or simply relaxing in the evening with your family, this pergola is alluring to both friends and family.

STANDARD FEATURES

Our Traditional Vinyl Pergolas are built with maintenance-free white vinyl over pressure-treated wood for superior strength and long life. We also use 5x5 wood posts sleeved with white vinyl, decorative post skirts, 1½x5½ joists with decorative scalloped end caps that span the short side, and 1½" square purlins with decorative diamond end caps that span the longer side. Heavy-duty double 2x6 headers with braces provide rigidity, along with anchor brackets for concrete pads and wood decks. With a vinyl pergola, you don't have to deal with the hassles of maintenance. Your pergola is designed for easy, worry-free care with your family's safety and enjoyment in mind.

14'X14' PINE WOOD VISTA
Standard Unit

STANDARD FEATURES

Our Vista Pergolas come standard with 8x8 posts and decorative post skirts. At the top of the post you will find large powder-coated brackets to enhance lateral strength and rigidity. The large headers offer wide spans for an unobstructed view. The joists are hung from the headers with powder-coated brackets for a low-profile look while maintaining the traditional pergola look and feel. Finishing off the top are the 1x3 purlins, spaced to maximize shade while also allowing the sky to show through. This modern looking pergola will fit perfectly into your modern backyard oasis.

ADDITIONAL OPTIONS

Superior Posts

Create an added element of refinement.
Not available with 10" Columns.

Attached to House

Order your structure with a header to attach to your home.
Proper attachment is required to protect your home.

6" to 48" Higher Posts

Creates a higher roof line.

Additional Purlins

Add additional purlins to your pergola for more shade or a more detailed appearance.

ELECTRICAL PACKAGE

Your pergola electrical package will include one outdoor switch, one outdoor receptacle mounted on a post, with a second receptacle on top of the post. Each receptacle has two outlets. (15 amp)

It also includes enough wire (14-2) to run from the base of the post to the top of the pergola header so you can add a light. Some pergolas also include a strip with a routed out groove to conceal the wire on the post.

You will need to have a certified electrician make all connections inside the boxes and to your home.

Extra Receptacle

Add additional receptacles to fit your needs.

ENGINEERING

Pergolas are available to be built to engineering specifications, and will be specifically designed to withstand high winds and snow loads.
Conforms to IBC 2009, but not limited to.

Construction plans are certified by a licensed engineer in your state. Includes 3 sets of sealed drawings & 2 Calc Packets.

KITS AND ASSEMBLY MANUALS

All pergolas come standard as a kit. Everything is included with the kit to install the pergola such as the screws, hardware and brackets. The kit also includes a copy of a step-by-step assembly manual for easy installation.

*Proper foundation required for all pergola installations. Contact your local sales rep. with any questions.

Testimonies

"From our first meeting with Country Lane, we were very pleased. Details were taken seriously. Pergola arrived ahead of schedule and installation workmanship was beautiful. We have received so many compliments from neighbors and retirement community staff - it is a hit. Is doing exactly what we wanted a place to sit during the day and with an open canopy at night to see the moon!"

~ Marlin H.

"You all are a great company to work with. Our clients love the quality of your workmanship and overall customer service. You strive to keep not only the client happy, but also keep us informed throughout the process. We have worked with [you] since 2012 and will continue to use [you] in the future."

~ Local Contractor

"A FIRST class operation!!! Well designed product that goes together very smoothly. My neighbors and friends were very impressed and everyone wanted one!! Good going Country Lane!!"

~ David W.

"Our lovely, new pergola completes our garden. Your installation technicians were very efficient and friendly. Our pergola was set up and ready to enjoy in only a few hours. We are very pleased with the quality of the pergola and the elegance it brings to our garden."

~ Jennifer

"Thank you for helping us choose our new pergola. We are now able to use a backyard area that we never used before! The added lattice provides a lot of shade. We enjoy sitting outside and having lunch with the kids. We chose your pergola because of its solid build and romantic feel. Thank you so much."

~ Doug & Mary
