LIVE INSIDE OUT

HEIRLOOM QUALITY OUTDOOR FURNITURE

POLY FURNITURE WARRANTY

Patiova poly furniture is guaranteed for ten (10) years against defects in the manufacturer's workmanship or materials.

Our superior poly furniture is made from High Density Polyethylene (HDPE), a plastic made from recycled plastic jugs. Polyethylene may scratch, fade slightly, or stain from normal wear and tear. These conditions are not defects and are not covered under the warranty.

Extreme changes in temperature may cause expansion and contraction of plastic. Consequential damage is limited to repair or replacement of the defective component. No other warranties of merchantability are made by the manufacturer.

We recommend furniture covers and maintaining a regular cleaning schedule to keep your furniture in its best appearance.

TANGENT
SUSTAINABLE LUMBER

MAINTENANCE & CARE

GENERAL CLEANING: Scrub boards with soap and water solution using a soft sponge or plastic bristled brush. You can use a soft bristled toothbrush to clean spaces that are hard to reach.

To remove surface dust, hose furniture down with cold, clear water.

DEEP CLEANING: A pressure washer can be used on the lightest setting to deep clean your furniture.

It is not recommended to use more than 1,500 psi. Keep the tip of the pressure washer at least 10-12 inches from the furniture so it doesn't damage the lumber.

For a list of specific stains and their removal, visit: TangentMaterials.com.

AGELESS BEAUTY. HERITAGE TOUGHNESS.

Our premium line of beautiful outdoor furniture is 100% crafted in America. Our strength lies in using traditional carpentry techniques and consistently superior materials. An investment in outdoor living, our Amish-crafted furniture is built to outlast other brands.

SEVERE WEATHERPROOFING

Leave it out all season, and then some. Wind and gust proof. Maintenance free and simple to clean.

ELEGANT DESIGNS

SEE WHAT'S NOT THERE

PREMIER MATERIALS

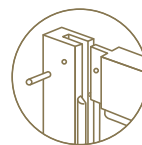

ONLY THE BEST WILL DO

MAINTENANCE FREE

Our poly uses less foam which creates a more solid, nonporous board. Food and wine stains will not be absorbed and can be wiped off easily.

RESORT CLASS LIVING

The same outdoor living furniture styles found at elite resorts. Our 23" wide seats are more solid and visually appealing than the standard 18-21" lower-grade line of outdoor furniture.

HEIRLOOM CONSTRUCTION

FEEL THE DIFFERENCE

• **100% AMERICAN CRAFTED FURNITURE**

Built in Central PA by our Amish craftsmen and never partly created somewhere else.

• **POLY: BEST-IN-CLASS**

Our premium performance poly is rated FTC Green Standard in sustainability.

WOOD: NO. 1 GRADE

Straighter and stronger boards. Our pressure treated wood is low maintenance & sustainable.

• **SUPERIOR MATERIALS & BUILD**

Never cutting back on material thicknesses, or construction methods, our premium line of outdoor furniture focuses on quality, not speed of production.

• **TRADITIONAL CARPENTRY TECHNIQUES**

Mortise and tenon joints, consistent board spacings, quality material selections, and hidden front screws all take more time but creates heirloom-quality furniture.

• **COLOR CONFIDENCE**

Color stable with enhanced UV protection added to poly. For our wood furniture, stains are horsehair back brushed.

RENEWABLE RESOURCE

Live in harmony with nature. Wood is a natural, earth-friendly product. Southern Yellow Pine (SYP), known as one of the most robust, versatile wood species, is the only wood used to manufacture our premium outdoor wood furniture. The quality and availability of SYP are virtually unmatched.

WOOD FURNITURE WARRANTY

Patiova's premium wood furniture is guaranteed for two (2) years against defects in the manufacturer's workmanship or materials. We only use Pressure-Treated, Grade 1 Pine harvested stateside by companies with aggressive environmental programs in place.

Our treated wood uses non-arsenic based, environmentally safe preservatives with proven long-lasting resistance to termites and fungal decay and carries a lifetime limited warranty against decay and termite infestation.

Patiova's wood furniture can be painted or stained and will benefit from periodic cleaning and periodic water-repellent coatings for its best appearance.

Extreme changes in temperature and humidity may cause expansion and contraction of wood. Consequential damage is limited to repair or replacement of the defective component. No other warranties of merchantability are made by the manufacturer.

WOOD ADIRONDACK

Adirondack furniture brings together comfort and style. The distinctive curved fan backs and deeply contoured seats have made the Adirondack a long-time favorite.
