A Family Heritage, Enriched by our Customers

The history of Hostetler Tables & Chairs is woven throughout four generations of The Hostetler Family. What began decades ago continues today, and our hope is that you will recognize and appreciate all we have accomplished in carrying on our family tradition in furniture making unique designs, crafted for comfort and style. Our furniture is durable and beautiful and made from the very best poly lumber in the industry. What you see in our furniture line is a rich heritage of experience and craftsmanship displayed in our designs, which we believe are incomparable in this industry.

Each day our team strives for excellence and every new year our goal is to faithfully maintain the quality and customer service that we've always held ourselves to, with each and every customer in mind. Many of our designs were born of the truly wonderful and valuable suggestions for improvement that you have provided. We implemented those improvements and all our customers have seen and have benefited from the end results. So, we thank you, our customers for without you we simply would not have the quality designs that we now present to you here. We hope our products inspire you to create an outdoor living space.

Sincerely,

Jonas & Levi Hostetler

WHY POLY LUMBER?

POLY LUMBER FEATURES

Hostetler Tables & Chairs uses the highest grade of poly lumber. Made of High-Density Polyethylene or HDPE, it has a wide array of benefits, such as:

- Dense, durable material with a smooth feel.
- Resists cracking, splitting, mold & mildew. It will not rot, corrode, splinter or decay.
- Very low maintenance, it cleans up easily with non-abrasive soap & water, and be completely sanitized.
- Doesn't require sealing, staining, or painting
- Environmentally friendly product that is made largely from recycled plastic products
- UV stabilized color is throughout the material which ensures resistance to fading
- It's insect and borer resistant, does not absorb chemicals, oils, or water, and will not leach chemicals into the environment
- Comes in a wide variety of colors, from earthy wood tones to rich, dark hues and vibrant colors, including Wood Grain Poly selections

*(See Page 53)

HTC USES ONLY THE BEST POLY LUMBER!

TANGENT™

When it comes to alternative materials, there's no alternative.

Each Year, Tangent diverts 15,000 tons of recycled HDPE plastic from the landfill. That's the equivalent of approximately 210 million plastic milk bottles annually.

Build a Stronger Planet with Tangent Materials.

Tangent™ proudly manufactures recycled plastic boards using post-consumer and post-industrial HDPE plastic like milk jugs and laundry detergent bottles.

In addition, they also use an environmentally-friendly closed loop process that produces minimal greenhouse gases. When you purchase products that have been crafted with Tangent materials, know that you're also helping to build a stronger planet.

By using Tangent materials, you are helping us:

Reduce Air &
Water Pollutants

Reduce Toxic
Exposures

Reduce Waste &
Landfill Pile-Up

Reduce
Deforestation

THE HOSTETLER DIFFERENCE

QUALITY, DESIGN & SERVICE

Hostetler Tables & Chairs manufactures a wide variety of attractive, innovative designs that will provide years of comfort and lasting enjoyment.

Our products will prove to be in style for many years to come, and we are always striving to bring you new and improved designs. We are pleased to reveal several new styles in this year's line.

Features:

- Unitized Construction - (No assembly is required)
- Minimal Exposed Hardware *
- Our furniture withstands the harshest conditions, and can be left outside all year long
- Accessories are available for select pieces
- Environmentally friendly product that is made from recycled plastic products
- Our products are made in a wide variety of solid colors, from earthy wood tones to rich dark hues, vivid and bright colors, from earthy wood tones to rich, dark hues, vivid and bright colors, and a variety of woodgrain choices too.

Daisy Side Dining Chair

Snuggle-Back Single Glider

You'll see a very minimal amount of exposed hardware in our designs. In our Daisy Collections, Snuggle-Back Collection, Comfy-Back Collection, and Craftsman Collection most of the screws & bolts are hidden, which is vastly different from what you will see in most of our competitor's products.

* At HTC, we custom shape the edges on each piece of poly lumber. We custom shape every single slat, from the seat to the back assembly all the way down to the leg assembly. In contrast, our competitors typically construct their furniture using the Raw Poly Lumber as it comes with it's original factory edges.

Comfy-Back Swivel Glider

We also offer unitized construction on all our designs. All pieces are fully assembled except for the table bases and tops. When drop-shipped, customers can unwrap, set up, and be just minutes away from enjoying!

TESTIMONIALS

WHAT OUR CUSTOMERS ARE SAYING...

"We started our journey with the Hostetler's in August of 2020 and have been blessed ever since! They have brought us high-quality patio furniture that our customers simply adore! Their products stand out against other brands on the market in comfort & stability. We had the pleasure of attending HTC's first Dealer Appreciation Day and meeting the Hostetler Family and Workers behind this amazing company. It's an understatement when we tell you that they made us feel like part of their family! We look forward to many years with our new extended family, HTC!"

Cheryl & Patrick Miller
Pat Miller Welding, Inc. & Specialty Supply - Sunset, LA

"HTC has been a great company to work with! We have been selling their products for 15 years and have customers calling specifically for the HTC brand. Their product completely meets the need of our customers. We also appreciate how they are continually looking for ways to improve their services from communication to new and improved products!"

Louella Leinbach
Poly Outdoor Furniture - Lewisburg, PA

"We can't say enough positive things about the Hostetler team and their furniture. The durability, comfort, and impeccable quality of their furniture makes them a perfect fit for our harsh coastal environment that we live in. The Hostetler family and their whole team are so kind and strive to meet all of our needs and fulfill our orders. They are an absolute joy to work with."

Megan McClure
Warehouse Patio - Gulf Shores, AL

"I am proud to carry the HTC brand of truly amazing furniture. I have been excited to see their line of products expand this year and see my customer's reactions to these new designs. How wonderful to see them happy and blessed, enjoying the outdoors with family and friends, relaxing and sharing life together. I believe HTC has the finest products on the market, and I love helping create a custom setting for my clients so they can enjoy their outdoor life to the fullest! Keep up the great work, HTC!"

HOSTETLER TABLES & CHAIRS

CARE & MAINTENANCE

GENERAL CLEANING

- * Scrub boards with soap and water solution using a soft sponge or plastic bristled brush.
- * You can use a soft bristled toothbrush to clean spaces that are hard to reach.
- * To remove surface dust, hose furniture down with cold, clear water.

DEEP CLEANING

- * A pressure washer can be used on the lightest setting to deep clean your furniture.
- * It is not recommended to use more than 1,500psi.
- * Keep the tip of the pressure washer at least 10-12 inches from the furniture so it doesn't damage the lumber.

STAIN / RECOMMENDED CLEANING PROCESS

Pencil Marks

- * Use a solution of Dawn® dish soap and water to saturate the stain, then rinse with water.

Ink/Marker

- * Use a solution of Dawn® dish soap and water to saturate the stain, then rinse with water. For tough stains, pre-treat area with WD-40, wiping clean before using solution of water and Dawn® dish soap

Grease or Oil Stains

- * Use solution of Dawn® dish soap and water to saturate the stain, rinse with water

Embedded Dirt

- * Use solution of Dawn® dish soap to saturate the area, then scrub with a soft bristled brush, and rinse with water

Wine

- * Use solution of Dawn® dish soap to saturate the area, then scrub with a soft bristled brush, and rinse with water.

Chewing Gum

- * Coat WD-40® lubricant or equivalent over the area.
- * Gently pry up on any potentially hard articles slowly with a plastic putty knife. Utilize a soft brush & acetone solvent to remove any fine debris and clean out any crevasses. Rinse area with fresh water

Bird Droppings

- * Use solution of Dawn® dish soap to saturate the area, then scrub with a soft bristled brush, and rinse with water

Stains and Scuffs

- * A Magic Eraser™ may be used for stubborn marks

Iron and Rust

- * For tough stains from contact with iron, boards can be scrubbed with Iron Out™

Always read and follow the product manufacturers' specific instructions before using any cleaning product. If using alternative cleaning solutions than those outlined above, it is recommended to test the solution on an inconspicuous area of the lumber to make sure it does not harm the surface. For more information visit our Poly Lumber source at : TangentMaterials.com

Jonas & Levi Hostetler

**POLYETHYLENE OUTDOOR FURNITURE
TWENTY (20) YEAR LIMITED WARRANTY (RESIDENTIAL) *
FIVE (5) YEAR LIMITED WARRANTY (COMMERCIAL) *
* Revised Warranty Terms : 9/1/2023**

Outdoor Furniture Warranty

Hostetler Tables & Chairs LLC warrants to the original purchaser that its polyethylene outdoor furniture products will be free of original defects in workmanship and materials for a period of twenty (20) years of residential use or five (5) years of Commercial use unless otherwise noted in this warranty. All said warranties are effective starting on the date of purchase. At its Option, Hostetler Tables & Chairs LLC will repair or replace this product without charge for materials and labor providing our inspection indicates that an original defect does exist. Should Hostetler Tables & Chairs LLC choose to replace the product and the product is no longer available at the time warranty service is required, a substitution of similar performance and equal or greater value will be made. Polyethylene is a synthetic product and may scratch or fade slightly when exposed to sunlight or stain after prolonged contact with other substances. Some expansion and contraction are also to be expected due to extreme changes in humidity and temperature. The above mentioned shall not be considered defects in materials or workmanship and are not covered under this warranty.

Stainless steel fasteners are warranted not to fail structurally for the applicable warranty period. Stainless steel may rust in certain extreme conditions (such as coastal areas) if not maintained. This warranty does not cover rusting fasteners or structural failure due to rusting fasteners, damage caused by unauthorized service or repair, alteration of this product, abuse or misuse, normal wear and tear on materials, or any attempt to use the product in a manner or for a purpose other than for which it is intended. This warranty also does not cover scratching or chipping of the polyethylene; however, this warranty shall not limit any warranties made by the manufacturer for such items which may extend to you.

Woodland Rockers, Woodland Single Gliders, Woodland Swivel Glider, Folding Chairs, and Folding Accessories are warranted to be free of original defects in workmanship and materials for a period of ten (10) years of residential use or two (2) years of commercial use.

Swivels are warranted not to fail structurally for five (5) years of residential use and five (5) years of commercial use.

Hostetler Tables & Chairs LLC makes no warranties other than those which are specifically described herein. Some states do not allow limitations of implied warranty so this limitation may not apply to you. In that event, any such implied warranty is limited to that required by law.

The sole remedy provided in this warranty is repair or replacement of this product. Any cost of shipping and handling shall be paid by you.

To file a warranty claim please contact your local dealer.

Outdoor Fire Table Warranty

Hostetler Tables & Chairs LLC. Warrants to the original purchaser that its polyethylene fire tables are warranted to be free of original defects in workmanship and materials for a period of ten (10) years of residential use or two (2) years of commercial use. A glass wind guard must always be installed on fire tables to keep flames from touching material and avoid melting. Lighting or burning a fire table without the glass wind guard installed may result in melting of the polyethylene material and voids this warranty. Polyethylene is a synthetic product and may scratch or fade slightly when exposed to sunlight or stain after prolonged contact with other substances. Some expansion and contraction is also to be expected due to extreme changes in humidity and temperature. The aforementioned shall not be considered defects in the materials or workmanship and are not covered under this warranty. This warranty also does not cover scratching and chipping of the polyethylene; however, this warranty shall not limit any warranties made by the manufacturer for such items which may extend to you.

Stainless steel Heat Barriers used on fire tables to distance flames and heat from the polyethylene material are 304 grade stainless steel and may rust in normal outdoor conditions and/or coastal areas. Rusting that doesn't not affect the structural integrity of the stainless-steel heat Barrier is not covered by this warranty.

At its option, Hostetler Tables & Chairs LLC will repair or replace this product without charge for materials and labor providing our inspection indicates that an original defect does exist. Should Hostetler Tables & Chairs LLC choose to replace the product and the product is no longer available at the time warranty service is required, a substitution of similar performance and equal or greater value will be made.

Stainless steel fasteners are warranted not to fail structurally for the applicable warranty period. Stainless steel may rust in certain extreme conditions (such as coastal areas) if not maintained. This warranty does not cover rusting fasteners or unauthorized service or repair, alteration of this product abuse or misuse, normal wear and tear on materials, or any attempt to use the product in a manner or for a purpose other than for which it is customarily intended.

Stainless Steel Burners and all parts and components for burners are provided by the "The Outdoor Great Room Company." The Outdoor Great Room Company warrants this Outdoor Great Room product will be Free from defects in material and workmanship for a period of one (1) year. Stainless Steel parts and assemblies carry a limited lifetime warranty. Slight rusting on burners and components of the burners are not covered by this warranty. This warranty is subject to the conditions, exclusions and limitations described in "The Outdoor Great Room Company Outdoor Products Limited Warranty" found on page 39 of the Crystal Fire User Manual included with a Fire Table burner. Warranty claims for stainless steel burners will be processed by The Outdoor Great Room Company and be handled according to the Outdoor Great room Company Warranty..

Drawer slides are warranted not to fail structurally for a period of one (1) year. Drawer slides are made of 304 stainless steel and may rust in normal outdoor conditions and/or coastal areas if not maintained properly. This warranty does not cover rusting drawer slides or structural failure due to rusting drawer slides. Glass wind guards, glass fire gems, and other fire table accessories are not covered in any way by this warranty.

Hostetler Tables & Chairs LLC makes no warranties other than those which are specifically described herein. Some states do not allow limitations of implied warranty so this limitation may not apply to you. In that event any such implied warranty is limited to that required by law.

The sole remedy provided in this warranty is repair or replacement of this product. Any cost of shipping and handling shall be pay by you.

To file a warranty claim please contact your local dealer.
