Country View FURNITURE LLC

HANDCRAFTED IN INDIANA

About Us

Country View Furniture is a custom furniture builder located in Odon, IN. We provide custom furniture solutions throughout Southern Indiana and beyond. Established in 2003, Country View Furniture offers handcrafted furniture, including custom sofas and loveseats, recliners and other motion furniture. We specialize in living room furniture, including our rocker recliner loveseat and our famous console loveseats. In addition to offering custom furniture designs, our experts are able to build virtually anything.

Our custom-made furniture is made one piece at a time to your specifications and is carefully crafted to the highest standards with meticulous attention to detail. As you'll see on the following pages, we use only the highest-quality materials, and our heavy-duty frames are made of solid hardwood to ensure a durable, long-lasting construction.

Whether it's a living room suite for your family, or a large order for a hospital, nursing home or other institutional application, we are sure you'll be thrilled with the results for many years to come.

To see all of what Country View Furniture has to offer, give us a call or visit our shop today!

HANDCRAFTED IN INDIANA

How It's Made

At Country View Furniture LLC, we build each piece as if it were going in our home. That means starting with high-quality materials -- which the end user will never see -- but will ensure that you'll enjoy your furniture for many years to come.

Many people are shocked to learn that most mass-produced furniture now includes cardboard. Yes, cardboard! We use only solid wood and solid steel, with joints that are reinforced with wood glue. We think when you consider what's "under the hood," you'll agree that Country View Furniture LLC offers a very high-quality product.

Country View Furniture specializes in fully upholstered sofas, loveseats, chairs, sectionals and many types of motion furniture including rocking, reclining, wall-huggers, power reclining, wall-huggers, power recline and lift chairs. Our skilled frame builders can build you one or a room full of furniture to suit your individual needs. All of our furniture may be built with the cover of your choice, leather or cloth, in a variety of colors.

A brief review of our furniture components:

Super-Strong Frames: We use solid poplar wood, strong enough to last a lifetime, in all our upholstered furniture.

Solid-steel Mechanisms: Our mechanisms have many options including rocking, reclining, lay-flat, wall-huggers, power recline and lift chairs.

Coil Seat Springs: Featuring a unique drop-in coil spring to give you many years of support. A drop-in is designed to give you more and longer lasting support than zig-zag springs.

Premium Foam: Our standard seat foam is a high-density 2.8 pound foam to maintain long-lasting comfort.

Covers: We offer many options on covers including Genuine Leather, Ultra Leather and Cloth.

Limited Lifetime Warranty

The wood structure manufactured by COUNTRY VIEW FURNITURE LLC is warranted to be free of defects for 20 years. Seat foam has a 5-year warranty. Mechanisms and coil seat springs have a 3-year warranty. Any electronic components in our furniture/mechanisms have a one-year warranty. We suggest a weight limit of 300 lbs. on our furniture. We are not responsible for any accidents.

The warranty does not apply to fabrics or other covers on the furniture for wear, piling or color fastness; furniture which has been rented or used commercially; conditions resulting from negligence, improper use, alteration, fire or other casualties; furniture no longer in possession of original purchaser; furniture used by pets or in areas used by pets.

Our obligation under the Limited Warranty is to replace or repair at our option for any parts (except fabrics and covers) of the furniture found to be defective in materials and workmanship upon examination by Country View Furniture LLC. Any repair not covered by the warranty will be evaluated and charged accordingly. We are not responsible for shipping on any returns. You may be charged for parts and will be credited when the defective parts are returned.
